Meeting Minutes
3/13/2010

0810 Meeting Opened with Jimmy saying the prayer.

Bill read the minutes from the February Meeting. Jimmy made a motion to accept the minutes and Charles seconded. Motion carried

Bill gave the treasury report: \$704.70

Bill gave a report on ARES: Getting ready for Hurricane season. Still need antennas to be installed at EOC. Once antennas are up, we can hook up the rest of the equipment.
April 20th meeting will have Rodney Andreasen Director of JCEMA as the guest speaker.

Still looking for a netcaller for May.

Old Business:

Antennas at the EOC – still waiting for tree trimming. Tower is up and going to try to mount one of the dual band antennas on it.

Streaming HF over internet. Need to work on getting the laptop to work.

Echolink: Once we have external antennas, we can get Echolink back up and running on either of the two VHF repeaters.

New Business:

6M repeater has been re-coordinated. We need to get a repeater on the air.

Clubhouse mentioned and tabled.

Gary gave a presentation on mobile vhf/uhf installation.

Meeting adjourned at 1003. Test session to follow.
