The minutes from the previous meeting were read and approved.

Members were ask not to kerchunk the 67 repeater because of problems. Lightning has damaged the controller and it only transmits and has to time out.

The new repeater (147.045 at EOC) now has no tone on receive and is capable of being used with the older transceivers with no transmit tone.

There will be a test session on July 21st 10:30 AM, the club meeting will begin Promptly at 9:00 AM and the pre-meeting will be at Hardee's at 8:00 AM.

The club newsletter was discussed and reported to be in color on the web.

The request was mad by Jeff for access to the repeater and also asked for a new weather receiver for the repeater connection.

Red Cross is pushing for active members in our area. If anyone wants to volunteer, see Rodney Andreason or the proper Adm. people of the local chapter. Their local frequency for operation is 47.42 MHz.

Field day was discussed and what everyone was to bring. Shade and fans were among the requested items along with antennas, rigs, and generators.

The planned fish fry was postponed. Many will not be there and it was decided to go for the

old standby, hot dogs and hamburgers. The club voted to fund the meal. Gene WB4PVM will bring the grill and also furnish Ice.

The business part of the meeting was over and a program on ECHOLINK was presented by KG4ZJT.

Pledge of Allegiance was give and meeting was adjourned at 8:10 PM
