

Chipola Amateur Radio Club (CARC)
Jackson County EOC
9-22-07

Meeting was called to order at 9:13 AM by president KG4ZJT Bill

Opening prayer was by WO4J Jeff

The minutes were read and approved.

Jeff advised he had sent the old lightning struck controller to the factory and they had repaired it for free.

The club voted to reimburse Jeff for the shipping of 22.00 and a check was made to him. The controller is back and ready to be installed.

Jeff said when the controller is placed back in service, the parameters of the settings were probably not going to be accurate or the same as the were before. It will take some time to re-configure it to the best settings. Just please be patient and it will get better.

We also need a weather alert receiver and Ricky KD4AST said he could furnish one.

A question arose about ARRL insurance and someone was to check on the cost and possibly bring the information to the next meeting.

A list of all the serial numbers of the equipment is needed to secure this insurance.

Dave WD4CBZ said the 10 meter group was very active and invited everyone to meet. The group meets about 8:00 'til about 9:00 every night on 28.320 USB.

W4KCA made the motion to adjourn and we had the Pledge of Allegiance

Treasury report Funds Collected to date 559.90

Members and visitors present-----Gary WW4JDO, Travis KF4KQE, Lonnie N4PTW, Becky KI4UJB, Scott K4JSH, Cindy Gay, Brent KF4JZY, Bob W5RG(visitor) Charles KI4VMK, Dustin KI4UJA, Ricky KD4AST, Jeff WO4J, Dick W4KCA, David WD4CBZ,, Wayne KB4AAC, Richard KC4ONA(visitor), Hank Johnson (visitor)
