From the Prez

What a great field day we had this year. The recreation park in Cypress could not have worked out any better. We had everything we needed complete with plenty of trees to hang antennas in. Things went so well we have already requested the park again for next year. I want to thank everyone who came out for all the help in making this year's field day one to be remembered.

Gary, WW4JDO

Field Day Report

This year we operated for only half a day, including setup, cooking and eating two meals, test session, and tear-down. Despite this we still managed to squeeze in a few contacts. The following summary report was submitted to the ARRL. We won't win any awards, but we sure had fun.

Call Used: **W4BKD** GOTA Station Call: **(none)** ARRL/RAC Section: **NFL** Class: **3A**

Participants: **14** Club/Group Name: **Chipola ARC**

Power Source(s): **Commercial, Battery**

Power Multiplier: **2X**

Bonus Points:

Description	Points
Media Publicity	100
Set-up in Public Place	100
Submitted via the Web	50
Total Bonus Points	250

Score Summary:

	CW	Digital	Phone	Total	
Total QSOs	3	13	18		
Total Points	6	26	18	50	Claimed Score = 100

As mentioned above, we administered a test session to two applicants seeking upgrades and both were successful. I can't say thank you enough for everyone's help in making this field day a success for everyone. The next opportunity for us to impact the community is Jamboree On The Air in October. See ya there.
